

ADVANCED ANALYTICS AND INSIGHTS: DRIVING MEANINGFUL DATA

MAY 16 & MAY 18, 2016
SAN ANTONIO, TX

Medtronic, an ACHE Premier Corporate Partner, is committed to healthcare excellence by building meaningful relationships and strategically collaborating to advance healthcare management. We are pleased to invite you to two complimentary speaking events that you won't want to miss:

OUTCOMES ARE GOOD UNTIL THEY ARE NOT – ADDRESSING HEALTHCARE COMPLICATIONS

May 16: 4:00 – 5:00 pm, with a networking reception immediately following

David A. Theodoro, MD, FACS

Cardiac Surgeon and Chairman Cardiovascular Department
SSM Health, St. Louis, MO

In the real world, surgical outcomes are good until they're not - and when they're not, your bottom line is at risk. Advanced analytics and comparative effectiveness hold the key to outcomes insight which enables greater transparency and a profound ability to mitigate these risks and protect your bottom line.

1+1+1=10: INTEGRATING PATIENT DATA, EDUCATION AND CLINICAL DECISION SUPPORT TO DRIVE HEALTHCARE VALUE AND OUTCOMES

May 18: 4:00 – 5:00 pm, with a networking reception immediately following

Jamison Feramisco, MD, PhD

President and Chairman
Apri Health / Transfuse Solutions, Dallas, TX

Healthcare is data rich yet insight poor. Electronic medical record data, patient point-of-care data, evidence-based clinical decision support and genomics need to be aggregated to drive meaningful health insights and action. It is only then that hyper-personalized patient care plans can effectively drive healthcare value and improve patient care outcomes.

REGISTER ONLINE NOW FOR ONE OR BOTH EVENTS:

medtronicsolutions.medtronic.com/ache

HOTEL CONTESSA | 306 W. MARKET STREET | SAN ANTONIO, TX

Lecture attendees are eligible to receive one (1) hours of ACHE Qualified Education credit toward advancement or recertification in the American College of Healthcare Executives. Participants wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting an application to the American College of Healthcare Executives for advancement or recertification.
