About the STC ACHE Student Symposiums

The STC ACHE Student Symposium brings together healthcare students and healthcare professionals under one roof to learn, discuss and draw inspiration from eminent speakers, policy makers and renowned health leaders. This year's symposium will consist of two panel discussions on the topics of "Leading a Successful Multi-Generational Organization" and "New Governmental Focuses on Fraud and Abuse Enforcement."

The Student Symposium is open to all those in Healthcare Administration interested in these topics and in professional networking (both members and non-members of ACHE).
